- **Can I check if the transaction was successful through text?**

You may text 'QUERY' and send to any gateway.

- **Can I check my balance through text?**

You may text 'BAL' and send to any gateway

- **How can I do loading transaction using my webtool?**

1. Simply log in to <https://www.upsexpress.com.ph>
2. Go to Loading
3. Click E-loading
4. Choose the type of load you want to transact

- **How can I check my loading transactions?**

1. Simply log in to <https://www.upsexpress.com.ph>
2. Go to Loading
3. Click Transaction Report
4. Choose the type of report

5. Indicate the dates you need
6. Then Search or Generate

- **Is there a limit to the daily loading transaction?**

There is no limit to the amount of daily loading transaction a dealer or retailer can do. However, a mobile number can only be loaded in 5 transactions per day only

- **The system says “You have already used up PHP 1,000.00 worth of your Load Wallet for the day” what should I do?**

Just click the link in the email to verify and you can continue loading transactions.

- **The system says “You have already used up PHP 5,000.00 worth of your Load Wallet for the day” what should I do?**

Simply create a ticket at <http://support.globalpinoyremittance.com/> Choose Loading above 5,000 Category then attach a copy of valid ID. Our Technical Support team will validate and proceed the transaction so you can continue loading.
